

# Canned Heat in Canyon Country to Benefit MDA at Route 66 Grill

A party featuring the band Canned Heat, the Harley Girls and stuntman Monte Perlin from "Terminator 3: The Rise of the Machines" will be held to benefit the Muscular Dystrophy Association from 2 p.m. to 8 p.m. today at Route 66 Classic Grill, 18730 Soledad Canyon Road in Canyon Country.

A portion of each diner's bill will benefit the non-profit organization.

Legendary musical group Canned Heat will entertain during the event which will also feature raffles, bike games and trophies.

Jeffrey Davidson Schragar, great-grandson of Harley Davidson co-founder William Davidson, will attend with his 100th Anniversary Harley-Davidson Ultra Classic Electra Glide motorcycle

**Jeff Schragar**

with sidecar. Schragar will drive the bike, dubbed the "Legacy Ride," to Milwaukee in mid-August for the Harley Davidson 100-year anniversary celebration.

Prior to leaving on his trip he will collect donations for MDA (a Harley Davidson charity for 23 years) and signatures for the bike's sidecar. The sidecar will be decorated with the signatures of various descendants of the founders of Harley Davidson, including Willie G. Davidson, Sr., vice president of styling at Harley-Davidson, and other celebrities.

After the Milwaukee H-D celebration, the Legacy Ride motorcycle will be offered for sale via eBay with all proceeds going to MDA.
